You can submit your answers in this section via written form in the boxes provided or there is the option (at the bottom of the page) to submit a video or a voice note. If making a video or voice note, you should aim for it to be about 3 minutes in total. Don't worry about making it look fancy. We just want to get to know you! You can submit these at the end of this section.

If you are unclear about answering any of these questions then get in touch with our programme manager Lee at animatedobjects@mac.com or text/call 07966024006

1. Tell us about yourself

This is your chance to tell us what you're up to at the moment. Are you studying or working, or looking for opportunities?

2. What are you passionate about at the moment?

This could be focused on your creative interests, or could be about other issues or parts of life that interest, inspire or motivate you!

3. What skills do you feel like you could bring to the team?

What is it about your personality, skills or previous experience that you think could have a positive impact in the team? Remember, we're not looking for someone who has loads of previous work experience, just someone who is eager to get involved and trying something new.

4. What skills do you want to grow as part of the team?

What do you hope you can get out of the programme?

5. What impact do you hope being part of the youth skills programme could have for you in the next steps of your journey?

What do you think being part of this experience could mean for you?

Examples might be: helping you get a first step towards a creative career, meeting other people with similar interests, building your confidence or CV...

RIGHT TO WORK

As there may be paid roles available towards the end of the programme of skills sessions, if you are not a British citizen or do not have right to work in the UK, please give us some context about your situation.

FINALLY:

Are you available for our planned interview date of Tuesday 20th January?

Y/N/Not sure

All short listed applicants to the Youth Skills - Backstage programme must attend an interview either online via Zoom or in-person at Scarborough Spa.

All applicants will be considered equally, regardless of their application method and neither option is more likely to gain you a place; it is simply a choice of which method suits you best.

Would you prefer to meet for an in person interview, or via Zoom?

In person / Zoom

We're hoping to have our first meeting and skills session with the team on Tuesday 17th February at 5 - 7pm. Could you make this?

Y/N/Not sure

If you can't make these dates, it won't affect your application to the programme.

Thank you for taking the time to apply, and we look forward to reading your applications.
